

NATIONAL DAY OF ACTION — OCTOBER 26, 2026

DEFEND OUR RIGHTS! STAND UP FOR OUR FUTURE!

WHY WE FIGHT

- **Protect Aboriginal Title & Treaties** — Our lands and agreements must be respected.
- **Defend Self-Determination** — We are Nations, not municipalities.
- **Stop Extinguishment Policies** — No to fee-simple land conversion or termination frameworks.

WHAT'S AT STAKE

- **Our Lands and Territories** — Without Title, we lose control.
- **Our Sovereignty** — Governments aim to redefine our Nations.
- **Our Future Generations** — They Inherit what we defend today.

OUR DEMANDS

1. **Recognition and Respect** for Aboriginal Title, Inherent Rights, and Treaties.
2. **A New Policy Framework** based on Nation-to-Nation relations, not federal delegation.
3. **Restoration and Restitution** for lands and resources taken without consent.

HOW TO TAKE ACTION

- **March on Ottawa** — Gather at the **FIRST NATIONS–FIRST MINISTERS' MEETING** venue.
- **Local Rallies** — Organize community events and teach-ins.
